

At last year's Annual General Meeting we voted to approve a large number of changes to our bylaws. We had had the revisions thoroughly reviewed but we were also given the opportunity to have a lawyer look over the bylaws a couple weeks after our meeting. He was overall pleased with our bylaws but noted one item that needed to be added. We had not put in enough detail for the description of the offices. If voted in favour, the article below will be added to our by-laws under By-Law 3 Duties and Responsibilities as Article 3.

Article 3 Description of Offices

The President, Treasurer, and Secretary of the Organization shall have the following duties and powers associated with their positions unless otherwise specified by the Board, which may, subject to the Act, modify, restrict or supplement such duties and powers of the Organization. Their full position descriptions and those of the other Officers can be found in Appendix I: Roles and Responsibilities.

3.1 President

The president shall be the chief executive officer of the Organization and shall be responsible for implementing the strategic plans and policies of the Organization. The president shall, subject to the authority of the Board, have general supervision of the affairs of the Organization. The president shall have other such powers and duties as the Board may specify (see Appendix I).

3.2 Treasurer

The treasurer shall have the care and custody of all funds of the Organization. The treasurer shall have such powers and duties as the Board may specify (see Appendix I).

3.3 Secretary

If appointed, the secretary shall attend and be the secretary of all meetings of the Board. The secretary shall have such powers and duties as the Board may specify (see Appendix I).
